In order to enroll, Soaring Wings requires a deposit and first month's tuition.

The deposit is non-refundable and equal to one month of childcare costs, which will be credited towards the last month of your child's enrollment. Tuition is paid in advance of care and payable no later than at pick up on the child's last day of care for every month. Tuition will cover the following month of childcare. If a child is not present on this day, the tuition is still due.

Do not give us the deposit until you have signed the Parent-Provider Contract/Registration and thoroughly read and understand the Parent Handbook. Your child's enrollment is not secured until we have received: (1) the deposit, (2) first month's tuition, and (3) the signed Parent-Provider Contract/Registration application and supporting documents (e.g., proof of immunizations). When the tuition payment falls on a holiday or vacation day, the payment is due on the business day before the closure. All payments are appreciated prior to your vacation, holidays, or scheduled facility closures. Post-dating a check is accepted. Payment is based on the terms of the Parent-Provider Contract, which includes this Tuition Sheet, not on your child's attendance. Make checks payable to: Soaring Wings.
